Vision

Committed to provide value-based and skill-oriented education that transforms lives and empowers them into competent personalities, socially responsible, morally upright and emotionally balanced.

MISSION

St. Ann's is committed to empowering women professionally, moulding them into capable persons who are committed to their personal and professional endeavours and who have the vision, courage and dedication to initiate and manage change, to reach out to the less privileged ones through professional education and place them on a par with others, convert their hopes into reality.

It ensures the all-round development of students' personalities and professional skills, to enhance their employability and they become an instrument of Providence and signs of hope to the hopeless and downtrodden through its educative mission, fostering the integral growth of the person.

Continuous innovation, initiation, modernization and development are the basic fundamentals of our educational system.

A path to holistic development...

St Ann's Degree College for Women, Mallapur, Hyderabad, has been providing quality and holistic education since the year 2003. The institute provides excellent learning facilities in a competitive and collaborative learning environment to help students make a mark for themselves in the corporate world. Run by the Society of the Sisters of St. Ann of Providence - a name that has been associated with excellence in education for many decades - it has been imparting value-based and holistic education for women.

Situated in a vibrant lush green pollution-free environment, carefully cultivated gardens, on a 9 acre serene campus with excellent infrastructure, the entire campus is WI-FI enabled. The college is just 4 KM away from Habsiguda X Roads.

The faculty is highly qualified and experienced in their respective fields. They provide a safe, supportive environment with a variety of educational opportunities to empower each student to become a self-assured, responsible and economically productive citizen through their innovative teaching.

The classrooms are spacious and well-furnished with good ventilation. The eco-friendly surroundings of the campus are well-decked with trees and plants that keep the classrooms cool with fresh air.

The college has a well-stocked library with books ranging from novels, general knowledge, text books, reference books, to newspapers, periodicals, magazines etc. The library has 4448 reference books and more will be added each year.

Teach me

and

I will

forget,

Show me

and

I will learn,

Involve me

and

I will

Understand

We are what we repeatedly do. Excellence, then, is not an act but a habit

Computer labs in the college are not just a room of computers; they connect teachers and students to the best digital tools. The College has separate computer labs for various streams of study. We have a 1:1 student-computer ratio.

Curricular, Co-curricular and Extra-curricular activities at St. Ann's, creates unique opportunities for friendship, team work and learning. The Club activities not only complement their studies but also help to enhance their talents and abilities, explore and exhibit their imagination, creativity and innovation.

To complement theory with practice, guest lectures and seminars by eminent professionals are arranged to create a realistic exposure to the outside world. Students gain first-hand knowledge by interacting with professionals.

Celebrating National, Cultural or Religious festivals at St. Ann's is a learning experience – Students get to learn about the festival, the reason for the celebration and its significance and it also provides an opportunity to learn and appreciate various cultures and traditions.

Celebrations

Feast of St. Ann, Christmas, Deepavali, Ethnic day, Teacher's Day, Students Day, Friendship day, Women's day, Independence Day and Republic Day are celebrated every year with great joy and enthusiasm.

Placement Training

To bridge the gap between Corporate requirements and student's knowledge and skill sets, the College provides Placement training to students on a regular basis in the campus and this helps the students to grow in confidence, maturity and motivation. It also improves employability skills and enhances personal and professional effectiveness.

Award Ceremony

The Award ceremony is organized every year to recognise and appreciate the academic performance, talents and potentials of our students, this enable them to put in their best.

Value - Added Courses

The College offers various short term certification courses like Java Foundation, Java Programming, Web Designing, MS Office, Advance Excell, Smart Accountant etc. for the benefit of the students.
